Dearest...
It has been too long since we last talked. Please do try to come to the party. There are so many things I have to tell you. Until then,

The President, Speaks...

XX Club President Barbara H. would like as many club members to attend this year's summer picnic at Straton Brook Park. Our club has been in existence for about twenty years and it would be great if some of the old timers could make an effort to gather together. Our summer picnic is one of the two regularly scheduled social events of the year.

The July issue of Twenty Minutes is being sent to everyone on the mailing list, including all the non-paying members. We urge those members who haven't attended any meetings for a while to participate. Members from other clubs are also invited to attend.

For the picnic, bring your own food, and if possible, bring a little extra to share with others. As in the past, the club will provide soft drinks. Please note mystery map on page ten.

Please R.S.V.P if you are planning to attend, so we will know how much soda to provide. Bring your swim suit if you plan to swim in the lake.

Rumor has it that someone will be murdered at the picnic. Be sure to bring along some extra money if you wish to participate in this event. You may be murdered...and win a cash prize!
