Come to:

The Boston "T" Party — We're Revolting!

A post-conference discussion about the support needs of non-hormone, non-operative FTMs.

⇒ **How was your experience at the Boston FTM Conference?**
⇒ **Did you experience an "unspoken hierarchy" that ranks pre-op and post-op FTMs as more important, better, or taken more seriously?**
⇒ **If you are a non-hormone, non-operative FTM, did you feel like a second-class citizen at this conference?**
⇒ **Why was the East Coast Female-to-Male Group (ECFTMG) and non-hormone, non-operative FTM leadership excluded from participating actively in this conference?**
⇒ **What do we need to do to create a *diverse* and *united* FTM community, going forward?**

This discussion is open to all FTMs and our significant others.
