I am pleased that Joyce is our Girl of the month! Joyce is a beautiful girl- a little reserve- but a girl to know. Her favorite past-times are: Joyce, housecleaning, and camping. Girls like Joyce are what makes our chapter the best anywhere in the world. Her beautiful clothes have a special attraction. First, of course, by others- but secondly for food- and drink. Huh - you ask-?what I mean is that whenever Joyce goes anywhere someone always seems to spill a drink or food on her.- Yow- I even did that to her-myself. Her real attraction comes from within where her heart is full of love and generosity for all. She is a real helper for us and our cause. Many thanks Joyce for your beauty-inner and outer !!

WHAT'S

WHAT

Hello again from the "Captains " Chair! Again we are on the road to change and progress. We have just received wall to wall carpeting for the upstairs of our apartment and hopefully it will be in place by our next meeting. NEXT MEETING DEC.15 !!! Write this date down. Caroline B. has been appointed assistant chapter leader and will run the meetings and group whenever I am unable to be present. Caroline is famous and a beauty- but more than that she is devoted to the good of all of us. Thanks Caroline for accepting this important position. What's next most important? You guessed it- the apartment. We have a new house committee. Besides keeping the place ship-shape they will be enforcing the simple rules necessary for our apartment's continuance. Please listen to them whenever you are in the apartment- THEY IS THE BOSS!! Wilma is the head of the group, ably assisted by our girl of the month- Joyce. Thanks girls for your acceptance and help. Some new rules in regards to our apartment. There has been some confusion as to who to let in or out. Simply stated but ultra important. DO NOT OPEN THE APARTMENT FOR ANYONE BUT YOURSELF. NO EXCEPTIONS. On meeting weekends the house committee will control the front door. Please if you are not a key member, the door will be locked

at a reasonable hour and if you come later than that- you are just out of luck. Also- do not give the apartment phone number to anyone but your immediate family -for emergency use only. I do not want the phone being used for any purpose but club business. Because we are incurring such high expenses in finishing up the upstairs- any regular members who are not key members will be required to pay \$7.50 a night when they stay over. You will be required to pay ahead- no IOUs. Sandy will now be handling receipt of dues and monthly key membership money. The girls of the house committee however will collect the charges for staying over. Please also remember that in case of a "full house" the key members have top priority.

Lastly- I do wish to all you girls a very Happy Thanksgiving.

SEE YOU - DEC. 15th!!

See Ya,

Susanne

PS. AT our last meeting besides seeing all you beautiful gals- we had two new beauties. Winnie from New York was a guest and she also pitched right in and helped in the workload. Much thanks-Winnie. Another new face, but now one of the group was Barbara- all the way from Massachusetts. Glad to have you with us- Barbara- may your membership have meaning to you in your life. Tickets to Lee Brewsters Ball are available right now from Wilma- see her and get your ticket early- for the best seats in the house- at our table.

WHAT IS LOVE ?

Love is the sincerest and purist of our emotions and the least
controlable.

It is the most unselfish emotion, yet the most demanding, most
painful, most sorrowful, and can be the source of
much pleasure and contentment.

Love is the desire to care, to express feelings and be willing
to extend yourself totally in behalf of another.

The warmth of love is not physical, even though between the sexes
physical association can and should be an extension
of love.

But, the true meaning of love is the want and need to give much
more than that which we might receive.

Love is not to be considered as a reward because the ability to
love is the greatest gift bestowed upon man.

THANKSGIVING

BY A TRANS-SEXUAL

Through a womans eyes-

Did I see

A mirrored image-

not of me

and to heaven-

Did I ask-

Why is it-

That I wear this mask?

In my soul

Inner body deep

Was a secret-

I did dare to keep-

So very much pain-

Little Joy

Was my fare-

As a boy.

But now my tears

Are gone and past

I am a Woman!

Complete at last.
