Dear Ariadne,

On behalf of the New England Council of the American Association of Sex Educators, Counselors and Therapists I want to thank you for the time and effort you have offered us, furthering our education and understanding of the paraculture. Your thoughtful presentation at our Workshop planning meeting on February 19, 1978 and the subsequent teaching sessions were greatly appreciated by the participants at the Workshops.

Thank you for sharing your knowledge and experience with our membership. For us to have a resource like yourself to call upon is invaluable.

We hope further education for all of us can continue.

With best wishes
