Dear Nick:

I am a hetero fem TV who has crossdressed & passed as a man off & on for over 5 yrs. I learned about you from Emmon Godfish in Orinda CA. Emmon gave me a ~~copy~~ copy of No 1 - June 78 Gender Review & I was glad to see your picture (& hear of another fan of Dirk Bogarde). I am enc a check to subscribe to G & R & hope you will be able to send back issues - #2 to the present. I met Emmon thru the TV/TS group here, in which I am becoming more active. I truly admire the work you are putting into G & R ... it's well done. For several years I worked on the gay men's publ in Midw Wis & our TV/TS groups here plans on putting out a small publ soon. I know how all-consuming it can be. Again thanks for a fine publ & I look forward to receiving it.

regards
