

Dear Mark —

10-2-80

I've heard ~~so~~ much about you, seen you on the tube, and I'm very interested in getting in contact. I understand you have also expressed an interest in meeting me.

Up until about a week ago, I was on the Bd of Dir of GGG/G and Editor of The Gateway, ~~doing~~ <sup>doing</sup> all of the typesetting, lay-out & paste-up single-handedly for over a year, plus most of the writing. I have resigned from both positions because ~~I felt GGG/G~~ ~~was not~~ I am basically interested in working for the F→M and GGG/G certainly ~~was not~~ <sup>was</sup> not ~~afford me that~~ the proper outlet. At this point I am doing volunteer work <sup>for</sup> for Paul Walker & Jesus Info Facil. I have begun compiling a pamphlet <sup>for</sup> addressed to the F→M as the F→M now must plow through reams of info to find 2 sentences about us.

I am writing for 2 reasons: ① As an introduction in hopes that we might sometime get together, and ② because I am interested in WE ARE. I understand your group has some 15 F→M members & that you are considering combining WE ARE into GGG/G. I perceive such a combination as disastrous to the interests of your F→M members & would like to see the F→M's create a

group of their own. I would be very willing  
to work like a dog on such a group and  
take on the ~~total~~ responsibility of putting  
together the group's publication. Though  
we may be a much smaller group than  
GGG/G, I believe a separate  
F-M group is absolutely necessary.

I look forward to hearing  
from you.

P.S. I'd also like  
very much to meet Ron.
