CHI'S JANUARY MEETING

We were glad to find that a good group braved the potentially bad weather, and were with us last month: Joan IL-6-C, Mitzi IL-8-C, Betty IL-10-K, Donna IL-11-S, Betty Ann IL-17-A, Elaine IL-22-A, Deanna IL-35-G, Cheryl IL-40-K, Kay IL-44-N, and Ruthann WI-14-L. A special word of welcome to Betty, who has been a Chapter member for some time but finally managed to make her first meeting with us. Also with us for the first time was Joan, a new member. We hope both of them like us, and come back as often as possible.

We had a fine evening of general discussions, covering a variety of subjects. One suggestion made was to establish a program of demonstrations or guest speakers for our monthly meetings. Everyone was in favor of this, but the same old problem came up: Who do we get? We need names of Cosmeticians, Wig Stylists, Jewelry Demonstrators, etc. who might be interested in coming to our meeting, and suggestions of specific persons who might be encouraged to speak to our group. Special programs are a great idea, which everyone supports, but where do we go from here? Pass along your thoughts to Deanna, and we'll cry and get something going.

NEW CHAPTER?

Nancy MI-22-H, the Assistant Regional Coordinator, and Elaine MI-16-W have been busy during the last few weeks. Letters have been written to our Sisters in Michigan, Ohio, and Indiana arranging a get-together in Ann Arbor on February 4th. Your Editor plans to attend, and at last report a large group is expected (providing the weather cooperates). It's hoped that this meeting will result in the formal organization of a Chapter for that area. More about this next month.

TRI-SIGMA DUES

Virginia has mailed the dues renewal notices, but a few members have advised that they did not receive one. If you did not get a renewal notice, your dues check in the amount of \$18.00 should be sent to: Tri-Sigma, P.O. Box 36091, Los Angeles, CA 90036. If you wish any changes in your Directory listing, enclose a note indicating the revisions with your check.

ONE YEAR AGO

Last year at this time we published a map, showing the location of the membership of the "Great Lakes Region." Quite a few were shown on that map, scattered over our seven State and one Province area. During 1977 we lost a few, but gained more than enough to off-set our losses and show a substantial increase in membership. The greatest change noted in 1977 was that our membership seemed to consolidate in four major groupings: the Chicago area, the Detroit area, the Buffalo area, and along the Ohio/Pennsylvania border. We now have active Chapters in Chicago and Buffalo, and a potential Chapter "in the works" for the Detroit area. How about Eastern Ohio and Western Pennsylvania? The membership is there, and from letters your Editor has received there is certainly interest in starting a Chapter. How about one of you from that area taking the initiative? The map showing our membership for 1977 is on the next page; will your "dot" be there for 1978

"Even if they have got it in your size, it'll cost at least a hundred bucks."

Is it true...
 blondes
 have more
 fun?

Just being a blonde is no guarantee, honey! Take our word for it! Because even if you do suffer thru 3 or 4 hours . . . stripping your hair of its old color with cream developer and protinator (which burns like hell), then washing the gook out, then towel-drying it,

then coloring your hair with chemicals and peroxide, then rinsing, setting, combing it out, and starting all over again in a week — when the roots begin to show . . . Well, men will *still* get nauseous when they see you — if you happen to be ugly in the first place!

Even hairdressers will tell you an ugly blonde's best friend is **Lady Clinic Plastic Surgeons**
