Dear Ariadne,

I wanted to write to you and thank you for your appearance on "People Are Talking" at WJZ-TV. We received extremely positive response to your appearance and feel that it was your clear presentation and sensitive handling of the topic of gender roles that made it such a success.

We feel that the Outreach Foundation is doing terrific things and we would be very pleased if you would accept our invitation for another guest spot on the program as well as on some of the other daytime programs.

You handled the viewer's phone calls with clarity and sincerity and seemed to have a real understanding for their frame of reference.

Again, I want to thank you for introducing our audience to some new thoughts and hope that we can do a follow-up sometime in the near future. I will call you about that.

Sincerely,
