## FANTASIA FAIR AND PROVINCETOWN

Provincetown offers a unique and special setting for Fantasia Fair. Originally settled by the Pilgrims and then the Portuguese, the town became a major commercial fishing center.

Subsequently, the town became noted for many artists, writers and theatre people in residence. The town has a long history of acceptance of alternative lifestyles.

Today, Provincetown has numerous art galleries, shops, studios and boutiques attracting many tourists on summer vacation. It is also noted for its seafood and many fine restaurants. In October, the tourists are gone but the weather is sunny and mild and the autumn colors make it a delightful choice for Fantasia Fair. Cape Cod is the perfect place for a Fall vacation.

This experience replaces apprehension with awareness that enables the participant to grow and be more comfortable with the femme self.

### PARTNERS/COUPLES WORKSHOP

In addition to raising consciousness, a professional counselor will suggest strategies for coping and methods of improving communication. The goal is to promote a healthy relationship between couples.

### LEGAL SEMINAR

Research has been accomplished by a team of lawyers into subjects that are a source of concern and misunderstanding in our community. Appearing in public, civil rights, use of femme name, and the legal impact on relatives are some of the issues discussed in this important seminar.

### MEDICAL/HEALTH ISSUES SEMINAR

Each year a professional from the medical or mental health field presents valuable information of interest to all segments of the paraculture. Past seminars explained hormonal reassignment, cosmetic surgery, and sex reassignment surgery. These issues, and additional additional topics such as "The Standards of Care," living and working full time in the female roll, and relationships during transition are planned. The health care professional will discuss dealing with crisis, controlling guilt, and methods to survive compulsion.

### LIFESTYLE SEMINAR

Developing the social skills necessary to appear in public is very difficult—usually learned by trial and error, sometimes with disastrous results. The advanced crossdressers who conduct this seminar share their experience, tips and techniques to help the novice handle most social situations and deal with any problems that may arise.

### OUTREACH INSTITUTE BANQUET

The director of the Outreach Institute will describe the various activities that the Institute participates in. In addition to being the "architect" of Fantasia Fair, it is the only organization recognized by the medical/psychological community. This provides an important link for the crossdressing community. Outreach gives seminars and workshops for helping professionals, and offers a referral service to the crossdressers as well as the professionals. These are a few of the many educational functions of the parent organization.
