From The Executive Director

Dear FanFair Sister:

Welcome to the nineteenth consecutive Fantasia Fair, organized by the Outreach Institute for the CD/CG community.

The Fair brings crossdresser people from North America, Europe and the Orient to the friendly environment of Provincetown. Together, newcomers and returning participants share the joy and pleasure of exploring aspects of crossgender lifestyle without the burden of guilt and fear.

Over the years friendships have been made and sustained by participants long after the memory of their Fair experience. This and the desire to help others has allowed for the flowering of the FanFair Community. Each member of this community carries the Fair spirit back to her hometown and shares highlights of this unique experience with her sisters in the local region.

To the newcomer at Fantasia Fair 1993, we invite you to plan for a most rewarding experience. To the returning participant, we're glad you're back with us and hope that your involvement will further your goals for personal development by helping your new sisters.

This Participant Program Guide provides an overview of the variety of programs at the Fair and is designed to help you plan your week in Provincetown. As you read the pages, bear in mind that each program coordinator and all of the Fair staff have voluntarily given of their valuable time to serve you, the participant.

In all aspects of life, what you receive depends, in large measure, on what you willingly give. So as you complete the Pre-Registration Application, please be generous with your time and talent. Welcome to Fantasia Fair 1993.

Warmly,

Ariadne Kane, Executive Director

Celebrating
Our 15th Year
Be A Part Of It!

WELCOME
TO PROVINCETOWN

Provincetown, at any time of the year, is a great place to visit. The fall is a particularly enticing season with fewer people on the streets, the shops still open and weather conducive to beach strolling, biking, or walking on the nature trails.

The fall is also the time of the year when the Provincetown Business Guild welcomes Fantasia Fair and its members to spend time with us. As in the past, Provincetown and the Business Guild welcome people of all lifestyles and backgrounds and we wish them well in all endeavors.

Come and enjoy!

Sincerely,

FOR THE BOARD OF DIRECTORS

Wardrobe Planning

If you arrive in a packed station wagon towing a U-Haul trailer, chances are you brought too much. However, as most returning Fair-goers will attest, P'town weather is unpredictable, so it is best to be prepared. If you are anything like the rest of us, you are likely to forget something and discover that this little seaside resort doesn't have it; so, here are a few reminders and suggestions in addition to what you already plan to bring.

● Wardrobe Suggestions

Betty Ann Lind, the Fair coordinator for many years, packed for the Fair as if she planned to move to Provincetown. Clothes from her wardrobe helped four Best Dressed Award winners to survive. When she first came to the Fair it looked like an African safari had arrived. She even brought a dress rack, just to be safe!

Over the years, Betty Ann developed the Day & Night worksheet described in The Secret (page 16), and she used the color theme approach to mix & match, i.e. she coordinated her wardrobe to one main color (black, brown, or burgundy). If the theme is "brown," only the mix and match items which interchange with brown are brought, and such things as black and burgundy accessories are left home.

As you are planning your wardrobe for the Fair, start with a single color theme and stick to it. Then use the Day & Night sheet to "package" each outfit (include accessories and lingerie). Be certain they are clean, neat, free of split seams, and they fit. Betty Ann made 3 by 5 card list of what she needed to support the theme wardrobe and her Fair plans. Using these cards the following "kits" are packed usually in plastic boxes or shoes boxes to keep everything contained:

Clothes Care w/sewing kit.

Hair/Wig Care

Skin Care

Jewelry Box

Make-up

Bath care with shower cap

Shoe Care

Writing Stationery

She packed a battery radio, tape recorder (for Speech Class practice and rehearsing her Follies Act), a travel iron, and a portable lighted mirror. With these items she included a paper towel roll, flashlight, tissues, music tapes, and ALL THE MATERIALS MAILED TO HER ABOUT THE FAIR, SUCH AS THIS GUIDE.

A basic FanFair wardrobe might consists of: Rain/Storm Coat with Hood, a Car Coat or Long Fall Coat, Umbrella, two Handbags & An Evening Clutch, one Dressy Shawl or Stole for Cocktail Parties, etc., Three Mix & Match Suits (with skirts/slacks), Three Matching Skirts, Six Blouses, Two "After 5" Dresses for parties and dinners, one Formal Evening Gown for the Awards Banquet, six Pairs of Shoes (Sneakers, walking, evening, ect.), three Nightgown Peignoir Sets for PJ Party, one Pair of bathroom slippers, four Foundation and Slip sets (and what goes in them), four pairs Panty Hose, one Costume for the Fantasy Ball, two Wigs, with one wig block, one set Male-self emergency suit of clothes, a general "notions" box with panties, scarfs, a roll of twine, transparent tape, gloves, rain bonnet, and any last minute items.

Every woman who travels has to think like a Gypsy Princess knowing that she will undoubtedly have to lug her own luggage and since she must travel light and fast she must make every item shee packs serve in as many combinations as possible. She knows that jewelry, scarfs, belts, and imagination can turn a simple blouse & skirt into several different looks. When you plan what to bring to the Fair think about the Gypsy Princess and what she might bring.

The "Secret" to the BEST DRESSED Award

There is a secret which has helped at least four participants to win the BEST DRESSED Award at the Fair:

Divide the each day at the Fair into two major periods; Daytime and Nighttime.

The Daytime Period is for casual, career woman, or related type clothes. (A few years ago Provincetown was filled with women in "jeans and tops"; but in recent years women in town and tourist women have moved back to a dressier skirt look. Townie "feminists" wear their skirts to the base of calf.)

Your Nighttime wardrobe should be keyed to the major events, (i.e. Cocktail Parties, Dinners, Fashion Show, Follies, and Fantasy Ball), and your participation in these events

Draw up a chart prior to the Fair (see next page), citing each day, horizontally across the top of the page. Below each day have a space for your Daytime

selection of clothes and related accessories, and similar space for your Daytime selection of clothes and related accessories, and similar space below this to cite your Nighttime fashions. Remember that if you "mix & match" this will allow you to use just a few outfits in such a way that you will appear to never wear the same thing twice.

A Brief History

The Fair & the Outreach Institute

Fantasia Fair was conceived and created in 1974 by members of a paraculture social contact club called Cherrystones of Boston. "There is a tremendous need for crossdressers and transsexuals to learn about themselves in an open, socially tolerant environment," said Betsey Shaw, one of our founders. "We want to have a program that can help us grow in practical, social and educational ways," said Linda Franklin, another founder. So, over that year discussions centered on where to have such a program, what would be included in it, and how it would be marketed to CDs, TVs and TSs throughout the United States.

Fantasia Fair I (1975) was held in Provincetown, Mass., because the town had a reputation for being tolerant of all visitors, regardless of their sex, gender or orientation. There were about 40 participants, including one couple who came from California. The Fair got lots of support and help from cosmetic consultants who came from the Boston area, from two female impersonators who lived in Provincetown, and from two doctors who were from the Cape Cod area. Together with much support from local innkeepers, eateries and the newspaper, Fantasia Fair I became an "event to remember."

From this humble beginning, the next 18 Fairs evolved, each program building on the previous one, expanded or modified to incorporate the many facets of the complex social behaviors of the CD/CG community. During this period, the Fair served as a viable model for other, similar events to take place in other parts of the country. The "Be All..." Weekend is an example of a direct descendant of the Fair.

The Fair is basically a holiday experience for the crossdresser/crossgender community. It is a mix of practical, social and educational opportunities designed to help in the personal growth and heightened awareness of one's "Femme" persona. Included in this "smorgasbord" of activities are the fashion beauty program, seminars, workshops, cocktail parties, outdoor events (kite fly & whale watch), awards banquets, a fashion show, and our own special talent show (Fan Fair Follies).

The financing of the first Fair came from personal loans of some Cherrystone members (\$2,000 in 1975). This, plus the fees charged for participation, provided the basis for marketing and developing the programs.

It continues to serve as the means by which Fantasia Fair happens. Over the years, we have relied on the generosity of Fair administrators, individual participants and professional health care-givers to financially support both this and other Outreach Institute programs. It is our firm belief that we need to provide broad based educational programs not just for our community, but also to the helping professionals who work with us. These include M.D.s, psychologists, social workers, lawyers, nurses, judges and the military.

The Human Outreach and Achievement Institute - HOAI (Founded and incorporated in 1976) is committed to developing programs which broaden understanding of the ways of our community, from both within and in helping professionals.

Over the past 20 years, this Institute has "pushed back the frontiers of ignorance and bigotry" by taking the leadership in representing our gender concerns to important national professional meetings of organizations such as the Society for the Scientific Study of Sex, Association for Humanistic Psychology, and the American Association of Sex Educators, Counselors and Therapists, International Platform Association. Fantasia Fair and the Outreach Institute stand proud of their small, but important, achievements.

● 1. Free To Be Me

In order to release any residual guilt, shame or fear about one's gender conflicted life, it helps a lot to "come out" and tell your story in a supportive group. FanFair is a wonderful atmosphere for newcomers to enhance their personal development and make new friends through sensitive sharing and encouragement to liberate the women inside you.

● 2. How To Be A Woman Among Women

What do women do and how do they behave when they are together? This course enables you to learn the skill of developing a community of women through gentle coaching and practice. Often, people who take this course become lifelong friends as a result. The prerequisite for this course is Free To Be Me or special permission of the instructor.

● 3. Feelings Workshop

This is a new workshop that will focus on recognizing, expressing and resolving these emotions. They include guilt & shame, grief & remorse, hurt & disappointment, envy & jealousy, anger, love, intimacy, sensuality, and sexuality.

● 4. Body Awareness and Movement

Using a series of gentle movement patterns from T'ai Chi and other energy systems, participants will explore their self-expression and body signals not only for clarity about gender patters of movement, but for dealing with stress and body symptoms to aid in producing wellness, relaxation, balance and energy.

T'ai Chi Chih - The Essence of T'ai Chi

The T'ai Chi form consists of a set of graceful, relaxed movements that are easy to learn and do for people of all ages; strong or weak, healthy or ill. "Playing the Form", as the Chinese call doing the movements, can increase and intensify your energy. As we practice the Form of T'ai Chi we begin to understand that the graceful, relaxed movements of a healthy body originates from a calm, alert, relaxed mind. Through regular practice of the form, one can attain peace of mind and body by experiencing the interplay of Yin (feminine/accepting/receiving/yielding) energy, and Yang (Masculine/outgoing/assertive/firm) energy; the balancing forces of the universe. The Form can be used as a meditation for centering and grounding a path to ones true essential nature.

● Special Program - Self Concept

This is a four session program aimed at finding out Who You Are. We will have in-depth discussion and some experiential exercises to reveal what influences our sense of identity and the choices we have about our self expression. Areas that will be explored include: genetics, past experiences, work and vocation, beliefs and values, sex and gender orientation and behavior and life choices.

IV. Fashion Photography

Photography is painting with light and sculpting the environment. Learn how to improve you photographic skills in the areas of lighting, posing, backgrounds, camera angles, focus and much more. (Instructor: Mariette Pathy Allen)

V. Gender Attitude Reassessment Program (GARP)

This is a new workshop developed by the Outreach Institute and Wayne Counseling Center and CG Sex Education Associates. It is designed to help participants explore the many diverse aspects of gender role expression. We will be viewing several video tapes doing specific excersises and have discussions about some of these aspects.

Facilitators

William R. Stayton, Ph.D., Professor of Education at the University of Pennsylvania. He has been a sex educator and therapist for the past 25 years. He is a well known SAR facilitator and is one of the creators of GARP. He's also the director of the Wayne Counseling Center.

● Check In Hours

If all else fails, come to the Fair HQ at the Fairbanks Inn. If you travel "en femme" then by all means come as your femme self. Otherwise, we suggest you come as yourself and make a changeover in P'town.

- **The Fairbanks Inn**

The Fantasia Fair Business Office is located in the Fairbanks Inn, 90 Bradford Street. Bradford Street is a major two way east-west road through Provincetown. If you look at the map on the back cover of this guide, you will see that Bradford Street runs parallel to Commercial Street. When the Registration Office is closed at the Crown & Anchor, it is at the Fairbanks Inn. The Business Office phone number is (508) 487-7544.

- **Message Center**

The Inns and Apartments all have a phone number to receive messages for guests, and by in large they will try to reach you by leaving the message at their main desk, or by posting a note at your door. Fantasia Fair has a 24 hour Message Center phone for EMERGENCIES ONLY. Although the Registration and Message Center phones will be answered by a human being, from time to time the Message Center phone will be an answering machine. It will respond to the caller by saying: "...At the sound of the tone, please leave your message by stating the name of the guest you wish to contact, date, time, and a short message. Thank you." The Message Center phone number is (508) 487-7544. If a message is received we will try to reach you as soon as possible.

- **Policies**

Final payments should be mailed in time to reach the Outreach Institute (405 Western Ave., #345, So. Portland, ME 04106) before the Fair begins. Please mail your payment at least 10 days before such time to ensure it is received before the fair. No personal checks will be accepted at registration. If you still have a balance due on seminars you have chosen, it may be paid at registration time.

- **Arrival Card**

A postcard will be sent for you to fill out and return to the Outreach Institute, so that we may have an estimated time of arrival to Provincetown on each participant. If you can be specific to within a few hours it will be very helpful in planning the Fair's Hospitality Center schedule. We will need the card returned even if you are arriving on the first day of the Fair.

- **ID Cards**

Fantasia Fair ID Cards will be issued to you at registration. This card will serve as your admission to shows, events, parties, banquets, etc. Because there are some "coat-tailers" who come to Provincetown trying for a "free Fair", we cannot be lax about requiring the card. FANFAIR HQ & REGISTRATION

Finding Your Look

At Fantasia Fair you will notice many different styles of dress. As Mrs. Baskin told Mrs. Robbins, "Thank goodness, not everyone likes vanilla!" Over the years we've seen the following and somewhere here lies the real you:

Club Woman: Flowered hats, Flowered dresses, flowered underwear, a full slip and little white gloves. This is sometimes referred to as the Mother-In-Law look.

Dolly Parton: Lots of hair, skin tight clothes and an ample bust line because nobody looks below the waist.

Twiggy: No bust, no hips, no hair, no nothing! This look is especially appealing to victims of anorexia nervosa.

Madonna: Underwear is where it's at! Frilly, lacy stuff, long lines & strapless with little bows and flowers, but make sure it all shows! It helps if you have unlimited credit at Frederick's of Hollywood or Victoria's Secret.

Marilyn Monroe: Loose fitting halter tops and free flowing skirts with no slips. But remember, there are no subway grates in Provincetown.

Alice In Wonderland: Pinafores, jumpers and little white blouses with puffy sleeves. This little girl look also requires white socks and patent leather shoes, that reflect up, of course.

Jane Fonda: Stretch tights and Danskins with ballet slippers and leg warmers. It also helps if you are under 25 and did not go to Notre Dame on a football scholarship.

Tina Turner: Spiked hair, spiked shoes and fishnets. Great legs and short, short skirts; preferably leather. Great for discos in Provincetown and kite flying.

Joan Collins: Designer clothes; Floor length with plenty of gold, silver, sequins and jewels. A favorite of the party crowd. It helps if you need no underwear and have a mean disposition.

Boy George: The emphasis is on make-up; white skin, pink and purple eye shadow with well-defined lips. Over processed hair cut off. Capes, Caftans and Kimonos round out the androgynous look.

Bag lady: The best from Filene's Basement, Amvets or the Salvation Army carefully packed in a matched set of brown paper "tote" bags from the A&P.

Your Host - Provincetown

Provincetown is a safe harbor just inside the sheltering arm of Cape Cod. No doubt, because of its reach into the Atlantic it became the first landfall for the Pilgrims on November 21, 1620. Shortly after this landing the Pilgrims gathered in the cabin of the Mayflower and drew up the Mayflower Compact. This document, based upon a belief in self-determination and strong religious convictions, is considered to be a root of our Constitution.

Since the 1600's Provincetown has been tied to the bounty of the sea. Provincetown was incorporated as a Town in 1727.

It grew to become a major fishing seaport by 1851, with over 50 wharfs jutting out into the bay. The white wood frame New England sea coast homes for the captains and the crews of these tall ships established the flavor of the town you see today as a sea coast resort. Yet, Provincetown is still a fishing village with over forty boats plying the trade.

Perhaps it is in the character of its historic roots, or for reasons of its ties to the open seas; but, for some reason Provincetown has become a symbol for individual rights which has permitted them to flourish. It is this which has brought Fantasia Fair to Provincetown.

Over the past years, some of our dearest friends from Provincetown have served on the Board of Directors of the Outreach Institute. Many others have worked hard to make the Fair possible. Their caring about us with "many kindnesses" has established a special relationship and trust you are about to share in. Fantasia Fair has found a home and we want you to share it with us and our many new friends, the people of Provincetown.

Your Hosts & Home

Provincetown has over sixty Inns which probably can claim that they were originally homes prior to their present use. This Spring our staff personally selected a handful of these beautiful inns, (and a few modern ones too), to be your home during the Fair. Each Inn was inspected to be sure that it would:

- * Be a home with an Innkeeper Host who appreciates the Fair and you.
- * Be a suitable establishment for a fine lady such as yourself.
- * Have a social area for your house meetings
- * Have heated rooms to ward off the chill of early Fall nights.

- * Have lighting, mirrors, and storage space required by the average Fair-goer.
- * Have adequate bathroom facilities.
- * Provide parking for its residents.
- * Be near the center of town and the various Fair activities.

Because Provincetown is the largest gay resort area in the United States, it is safe to say that your Hosts are likely gay. In most cases they have invested their life savings in your Inn to make it a personal show piece and competitively attractive in a community where quality is an important criterion. The Fair is post-seasonal for Provincetown, and your Hosts have "had-it" with the chaos of Provincetown during the season when a town of a few thousand people becomes a crowded city. Most Inns close their doors to go about the business of preparing for winter and their owner's vacation. But, over the years your Hosts have come to know us and most of them look forward to seeing our group.

Your House Hostess (A FanFair Sister)

Each Inn/House will have a volunteer hostess, who can help you. (S)he serves as liaison between you and the Innkeeper in case you have any problems and (s)he can also help you with the Fair staff. During the Fair, (s)he will have at least two late evening house parties so that you can let your hair down and talk about those things that interest your group. And (s)he will keep you posted through the distribution of the FanFair Gazette.

You As A Guest

Treat the Inn as your home and don't expect it to be either a plastic motel or the Waldorf Astoria. Here are a few tips:

* Understand that because of limited facilities, all room assignments are final unless a dire need for change can be shown. If the need to change based on an error by the FanFair staff (e.g. leaky pipes, double occupancy instead of clearly stated single occupancy, etc.) the change will be made without a surcharge. Placing you in non-negotiated housing at your request (i.e. a motel such as the Holiday Inn) can lead to a surcharge equal to the difference in rates. * Although many hosts will try to help you move in, they are not bell-hops. Share in the effort.

* Please use paper towels, tissue, or your own wash cloth to remove make-up. Beard cover, especially, is very difficult to wash out of snow white towels.

* Take the time to meet the Inn staff; they know P'town and can help you. *

Having Fun in P'town

The following list of suggestions is intended to help you feel comfortable during your stay in Provincetown, to answer some immediate questions you may have, and help lead to an enjoyable Fair.

- *Feel free* to leave your inn/hotel room or apartment in any presentable state of dress.
- *WEAR YOUR BEST SMILE AT ALL TIMES*
- *Explore P'town* by yourself or in groups. P'town is a very open community.
- *Feel free* to dine/drink on the town. Most clubs/restaurants will welcome you.
- *Take as many* photographs as you wish, but please keep in mind the feelings of others when photographing Fair activities and participants.
- *REMEMBER HOW HAPPY YOU WOULD FEEL IF A SISTER WAS KIND ENOUGH TO MAIL A PHOTO OF YOU FROM THE FAIR.*
- *Visit the local* shops and boutiques. Most, you will find, will be happy to serve you, and most all will accept "his" credit cards.
- *Feel free* to call upon the local police (911), fire, and rescue units in case of emergency. They will assist you as they will any other citizen.
- *Bring guests*, if you wish, to public Fantasia Fair functions. Please consult the FanFair office about non-public events.
- *Feel free to consult* the members of the FanFair staff at any time in regards to any problems you may have.
- *Please, at all times, conduct* yourself as a lady or a gentleman (whichever you prefer). Treat others as you wish to be treated. Please help us maintain a favorable image of Fantasia Fair.
- *ABOVE ALL ELSE, HAVE AN ABSOLUTELY FABULOUS TIME!*

Take time to see Provincetown. Walk along its beautiful beach front. Tour the dunes of the National Park which surrounds it. As the Provincetown Business Guide says: "Within the 1 by 3 mile boundaries of the town there are three beaches, miles of bike and horse trails, acres of pine-scented woodlands, long stretches of dunes covered with rose, beach plum, blueberry and bayberry bushes and lush meadows full of thick rushes and waving beach grass."

Dining On Your Own: There are more than 60 eating places in P'town ranging from elegant chef-staffed restaurants which would rival any of the best to junk food shops. And in P'town when they say the sea food is fresh, you can believe it!

Rest Rooms: Which to use? We offer this suggestion; use the restroom you feel most comfortable in using. P'town is a relaxed community and restroom segregation is not one of the "biggies", especially during the Fair. Feel free to enter either door.

Emergencies: Call 911. This number will alert the Police, Fire, or Rescue Squad. They know all about us, and they will help you as they would anyone else in Provincetown.

Police: There is a chance some immature, insecure person may confront you or tease you in an attempt to provoke a reaction. Do not be alarmed and do not lose your temper. The police in P'town will protect you. If you are accosted by anyone, keep calm, try to ignore them, and proceed about your business. DO NOT VERBALLY OR PHYSICALLY ABUSE, TOUCH OR STRIKE A HECKLER UNLESS YOU HAVE BEEN ASSAULTED YOURSELF AND THEN ONLY IN SELF-DEFENSE. NOTIFY the police immediately of any harassing situation.

FanFair Photo and Video Policy

Anyone in the crossdressing paraculture is well aware of the simple fact that the photographic and video industry earns a fortune out of our fantasies. But is that photo of you, YOU? We don't know. We do know that with over 89 million adult males in the U.S., and within the statistical population profile of the group attending the Fair, it is unlikely that someone seeing that picture will be able to say, "By Golly, that's good ole George!"

(Unless George shows it to them). The ladies, whose pictures you see in the various FanFair publications all share your concerns for privacy; they live in the real world as successful men and/or women.

● Misuse Of Photos

In order to protect FanFair participants, these are the photo and video policies of the Fair. Participants may photograph FanFair activities for their own purposes, provided that persons being photographed have been asked and have given their consent. Video and Movie cameras are prohibited, with the exception of the video cameras operated by the FanFair staff who will be clearly identified. No person, other than a participant, employee, or agent of the Fair Administration may carry a camera or photograph activities or make sound recordings without the expressed written permission of the FanFair Administration.

Media must also obtain expressed written permission of the FanFair Administration to attend any function. In addition, media people must obtain written releases from any participant photographed or interviewed. This also applies to any participant who is acting as an agent or reporter for any media or proprietary publications. You must have FanFair Administration permission to send any photos to publications. The FanFair Administration reserves the right to prohibit anyone from carrying a camera or making sound recordings of Fantasia Fair activities, but wishes to advise participants that it has no such authority to control the activity in public areas outside the Fair, such as the streets of Provincetown.

● Photo and Video Release:

Participants will be asked to sign a Photo & Video Release so that video recordings or photos taken of them by our staff may be used within Video Tapes or Publications used to present the Fair to Professional and Academic Groups, Crossdressing Clubs, and those participating in the Fair who may want a more permanent memory of Fantasia Fair.

VI. Guest Luncheon Seminars

GLS-1: Twenty years of *Transvestia*, Saturday, October 16

Presented by: **Richard F. Docter, Ph.D.** As founder, publisher, editor, and principal writer of 100 issues of *Transvestia* magazine, Virginia Prince provided leadership supporting the development of national organizations concerned with cross dressing. How did *Transvestia* evolve over twenty years lifespan, and how did its editorial policies both reflect the attitudes of many cross dressers and conflict with the views of others? When did the importance of involving wives emerge and how did this affect the formation of wives groups? What was the growth of subscriptions over the years and how did *Transvestia* help to build and sustain national support organizations?

Dr. Richard Docter is the author of the book *Transvestites and Transexuals*. His on-going research involves over 700 participants spanning the entire spectrum of cross dressing and transsexualism. He is Professor and Chair of the Department of Psychology at California State University, Northridge.

GLS-2: The Gift of Being Different, Saturday October 23

Presented by: **William Stayton**. Ignorance, secretiveness and trauma have been barriers to sharing the gift of being different as a transgendered person. This presentation will offer suggestions for ways of sharing that gift of difference.

Dr. Stayton is a professor of Education and Director of Wayne Counseling Center in Pennsylvania.

VII. Outreach Institute/P'Town Art Assoc. Art & Wine Cabaret

This special event will commence with a tasting of several different wines along with light Hors d'Oeuvres. This will be followed by special musical presentations and poetry readings while attendees enjoy locally produced desserts and special brewed coffees (Cash buffet) in a coffee house - art gallery atmosphere. FASHION -BEAUTY PROGRAM

This year we are fortunate to have Anton Kisiel/Evelyn Shade returning to offer to Fair goers a rich and instructive program in many of the practical aspects of presenting your best femme image. This will include the art of using make up comfortably and to your best advantage for many and all occasions, elements of comportment and modeling, Hair and wig styling and care. There will be advanced make up class to instruct on the art of using makeup for special effects. In addition we will offer a one hour personalized make up video recording of their individual makeover and hair/wig session (The cost for this service will be announced during Fan/Fair orientation.) Anton/Evelyn, many of you will remember was one of our Fan/Fair interns of 1992.

We will also have the services of Mary Prenon, and Mary Kay Representative. Mary has worked with CDs on other parts of the country, helping them with skincare and make up choices for enhancement of their femme selves. She comes well qualified with five years of experience as a Mary Kay.

All services offered by Anton/Evelyn and Mary Kaye must be paid for prior to scheduling appointments with them. Details about this procedure will be announced at Fair Orientation.

Intern Program

FanFair's Intern Program, which was introduced at last year's Fair as a "pilot" program, was more successful than expected.

The program is designed to give interested individuals between the ages of 21-30 a chance to experience the FanFair Program and explore living in a CD/CG Community. Last year's interns provided administrative services, beauty and make-up workshops, and "behind the scenes" preparations for the Fair, and in exchange The Outreach Institute/Fantasia Fair and YOU, THE PARTICIPANT, THROUGH YOUR ATTENDENCE AND GENEROUSITY, allowed the interns to participate at a reduced rate. Without your help and the intern program, many of our interns would not be able to attend. We are proud to offer this program for a second year, and would appreciate your feedback during the Fair.

An Overveiw From A Returning Intern/Participant

I am very pleased that I was asked to return for this year's Fair. My shedule permitted me to stay for only the first weekend last year, but I learned so much from the more experienced crossdressers, that I couldn't wait to return. I enjoyed meeting and talking with all of you, and I wantt to thank you for sharing your experiences and insight with me. Those few short days I spent with all of you in Provincetown changed my life. It was a chance of a lifetime come true.

It was a rewarding experience to assist in last year's administ-ration, and it is even more rewarding this year, with the planning, scheduling, and other administrative duties Ari and the Staff have

bestowed on me. I feel that not only am I receiving a chance to "live my dream", I am also providing a needed service to the Fair, which benefits us all. It really makes me feel included and a part of something very worthwhile.

Each time I work on the programming, scheduling, and preparations of this year's Fair, I count the days to registration and the anticipation grows. I look forward to seeing all you Fair veterans again, and I can't wait to meet you first-timers.

I'm sure that I speak for the other interns when I say that the participants of the Fair are what makes it such a pleasurable event. It is you that gives us a sense of security, and also, something to aspire to.

On behalf of the Fantasia Fair Staff, the members of the Intern Program, I want to thank you for your support, kindness, and generosity. Without you, the Intern Program would not be possible.

Very Truly Yours,

A handwritten signature in cursive script that reads "Weslee".

Miss Weslee Agee

Awards Programs

Fan Fair Awards Banquet

Saturday, October 23 6:30 pm

Jennifer Brown

To be held at Basil's Restaurant

A truly wondrous evening arrives on Saturday, our last evening together. You will be surrounded by beautiful women dressed in lovely gowns; and you will be one of them! There is a strange dream-like quality to that moment when you realize how much you have all grown closer together and become true sisters. As you sip a cocktail you'll muse over how your "plainest" sister has been transformed into such a pretty woman. Many such thoughts crowd your mind as you drift into the banquet room to join the others in a formal sit down dinner.

The Awards Banquet is an event filled with memories for those who return year after year to Fantasia Fair. As the awards are presented, you will think of the beautiful people who have done so much to make this Fair, and those in the past, such delightful and successful events. The Awards Banquet is always an experience to remember.

A R T S

"This region is so rich in cultural history and ongoing creativity that *Provincetown Arts* showcases writing and visual arts that are the equal of those found in established national/international art journals. Reading the journal is like walking through a vibrant artists' colony or landing at a very lively cafe, sampling the best of current debate and accomplishment in the arts.

The journal is also saturated with advertisements for local galleries, restaurants, realtors, and other businesses. Thus, it serves as a regional magazine for tourists or new settlers, acquainting the reader with local personalities and interesting places."
