### PROGRAM of F. to M. Shorts:

(If you want to be surprised - DON'T read these synopses!)

#### ① ROSEANN BARRHALLOWE'EN SHOW:

Roseann tries serious crossdressing by donning a full beard & moustache, with Biker Garb, and going to the local bar to shoot pool & talk about women with a bunch of guys. "She" almost gets beaten up just by being her usual sarcastic self. It's interesting to see how she points out some of the differences between men & women, & what is considered "acceptable" behavior for each. Her "drag" look is really great; she looks like your typical (chubby) F/M T/S. It's also cool to see how "she" deals with the women who come on to "her".

#### ② TRACY ULLMANS F/M T/S SKIT,

Tracy plays an Elderly, well-respected psychiatrist (female), who comes back, after F→M T/S Surgery, as CARL and really surprises her former 'star pupil'. Her portrayal of an F/M T/S is really quite nice, and very positive. At the end of the show, when she comes out to talk to the audience, she's still in drag, and she "confesses" that she's actually been Carl, all along, just pretending to be a woman!

#### ③ AMERICA'S FUNNIEST PEOPLE - A

typical housewife does a truly amazing male-impersonation as HULK HOGAN, and almost wins \$10,000.

#### ④ THE LARRY KING SHOW - Steve Rocsey

(post-op F→M) and Dr. David Gilbert discussing forearm-flap phalloplasty. Highly interesting!

#### ⑤ VIRGIN MACHINE - film by MONIKA TREUT

SHELLY/MARTIN MARS, doing her male-impersonation/strip tease, in which she immortalizes the erupting beer-bottle.

#### ⑥ JOAN RIVERS SHOW - presenting an

F.-to-M.-to-F.-to-M. Transsexual!

#### ⑦ A.M. SAN FRANCISCO - presenting

STEVE DAIN (Post-op. F→M) former female phys. ed teacher, who was persecuted & ostracized by California school-system. Brief interview, illustrates his estuteness.

#### ⑧ THE GOLDEN GIRLS - Excerpt of an

amazing F.-to-M. surprise-ending.
