DELTA EPSILON SIGMA

The Greek Insignia letters will stand for:
DIGNITY, EMPATHY, SISTERHOOD.
An appropriate motto for a very special group of caring people.

PROTOTYPE LOGO APPROVED

Kay displayed the refined prototype logo for T-WV at the August meeting. Everyone was very pleased with her creativity and end results. The logo was approved. The new logo (letterhead) will be matched with our insignia (footer) to produce T-WVs attractive, new, official stationary.

NEW FRIENDS

Two new friends visited with the membership of T-WV at the August meeting. Sharing the girl talk were Alice and Doris. Welcome ladies and please join us again.

THE GIRLS FROM T-WV STRIKE AGAIN!

Tabetha, Jenny, Kay, Beverly, Alice, and Doris retired to the Polo Club at the conclusion of the August meeting. Scott also joined in the fun. I can say with all modesty, the girls from T-WV were the best looking broads in the joint. Kay wore out the dance floor while Tabetha did some PR work. Beverly, Jenny, Alice, and Doris sampled the establishments' variety of liquid refreshments. This could become a habit. . .

ROLL CALL!

Present for the August meeting were: Susan, Mary, Renee, Jenny, Kay, Tabetha, Beverly, Alice, Doris, and Scott. Our next meeting will be held on September 20, 1991.
