I eat angel cake and I'm fond of ice cream.
 It's dudish, By jove! real dudish you know.
 If offered a beefsteak I know I should scream
 It's dudish, real dudish you know.
 I'm really asthetic, on roses I dote,
 And lilies with petals of snow.
 And the sweet little bird with melodious throat,
 It's dudish real dudish you know.

I've got a nice poodle that's awfully sweet,
 It's dudish, By Jove, real dudish you know,
 I take him along when I go on the street,
 He's dudish, real dudish you know.
 He's got a blue blanket embwoidered with red,
 And it weally confuses me so
 I don't know which they mean when the ladies call "Fwed."
 It's dudish, real dudish you know.
