We ask that you do this in the next day or two even if you need more time to decide [it will help us get a better view of the whole situation]. We will make a follow-up communication in any case. Thank you.

3). Comments (continue on back if needed):

Fantastic co-incident or great planning and communication  
 whichever - I am pleased to be part of the program and  
 especially in this area, I have already prepared  
 a 15 min (could cut it to 10 or stretch to 20-30) presentation  
 on "Improving Our House" (outline and sample slides enclosed)  
 so I hope it would not be inappropriate for me as  
 moderator to include my own presentation. I have several  
 thoughts and questions on the back of this Response form -  
 Will be traveling Dec 23 through Jan 7 but will contact  
 you as soon as I return; The best for the Holidays
