NOTICE

RE: Annual General Meeting

The third Annual General Meeting (AGM) will be held in Toronto, Ontario, Canada in the month of April, and is tentatively scheduled to take place on Saturday, April 26, 1986, from 2 P.M. to 5:30 P.M., at the 519 Church Street Community Centre (Church & Wellesley).

All members in good standing (ie., paid-up members) only are eligible to attend. (N.B. Non-member newsletter subscribers may attend the meeting provided they make up the \$10 difference between membership and non-member newsletter subscription in advance. Potential members must also remit their full membership dues in order to attend the meeting. There will be no exceptions to this rule! Admittance to the AGM and the attendant right to vote is the exclusive benefit of paid-up members).

All Canadian and American members are urged to attend, if at all possible, so as to take advantage of this once-in-a-year opportunity to meet and share experiences with other female-to-male transsexual (F-M TS) members, their lovers, girlfriends, fiancées, wives, relatives, or friends, as well as professional and para-professional members interested in the field of (F-M) transsexualism. (N.B. Free admittance to the meeting will be extended to up to two non-F-M guests accompanying each member. In other words, all other persons interested in attending the meeting must remit \$28 in advance).

Out-of-town members interested in attending this meeting, are requested to please advise the Executive Director as soon as possible so that he can try to arrange accommodation for those attending the meeting in the same hotel or motel in order that members and their guests have a greater opportunity to get together to talk and to share experiences, and generally, to get to know one another and perhaps, initiate friendships. Please also indicate your preferred price range for a hotel.

To date, we have five American members and three potential members from the U.S. who are planning to attend the meeting. One of these is Mr. Stephen Parent-- one of our Professional Advisors--who has been invited to stay with the Executive Director for the weekend of the meeting. We are also hoping that Mr. Jude Patton-- another one of our Professional Advisors can also attend.

--Rupert Raj, Executive Director
