TABETHA'S DEBUT

Under Alona's experienced and guiding hand, Tabetha recently spent the better part of a weekend out and about in the glorious fall sunshine. It was obvious from viewing the photographs that she really enjoyed herself. This girl has come a long way in the past year. Tabetha's poise and stylish dress make her a definite role model for the younger members of TWV.

MOUNTAIN LACE TO EXPAND

Mountain Lace, the monthly newsletter of TWV, will add a second page. Called "The Other Side" this page will feature articles from members and news items about the CD, TV, TG, and TS

community. This editor is depending upon the membership of TWV to provide Mountain Lace with an ample supply of articles, stories, poetry, and other literary material. In addition to the expansion of the ML format, a new and more sophisticated software package has been ordered to improve the visual image of Mountain Lace. Hopefully, all will be in place for the January edition.

NEW OFFICERS TO BE ELECTED IN DECEMBER

In accordance with the Bylaws of TWV, the election of new officers is to take place on the last meeting of the calendar year. Up for election are the offices of President and Secretary/Treasurer. Nominations are to be made during the December meeting and votes cast. Be thinking about who you want to serve as Officers for the coming year. It is important that ALL MEMBERS be present for this meeting.
