

Dear Lew

Eldon hosted GP4 board meeting Sunday eve and said that you have knocked down that pneumonia quickly and may not have AIDS after all. I sure hope that is true. But even if not, you can still live with AIDS. I must run to the store for new bike locks. I lost my key to Eldon. Then to shop for groceries. We are nearly out of every thing I need to make wine at board then raced off to work.

BOBLO STEAMERS - DETROIT MICHIGAN
 Since 1902 the BOBLO Steamers have been the most fascinating way to get you to BOBLO ISLAND. The leisure cruise down the Detroit River for a one day holiday, or big band cruise, or the moonlight cruise, you'll find it both fun and entertaining. The Columbia and her sister ship the Ste. Claire were declared National Historical Monuments in May 1980.
