

Feb. 20, 1989

Dear Lou,

I have a fairly new (6 month) private practice. a large portion of my work is with male-to-female TS/TV and I am interested in learning more about female-to-male TSs/crossdressers, as well as possibly providing some counseling & support services to this population in the future.

I look forward to hearing from you. Sincerely,  
Luanna L. Rodgers
