To Whom It May Concern

We have been trying for some time to establish communications. A few of our members who are also members of Beaumont insist the address I've used is correct, so I'll try again.

We would like to establish communications and exchange publications. We are trying to develop a world-wide communications and information distribution network, and you should certainly be included.

Please, somebody verify that you have received this note.

Thank you.

Sincerely,

Merissa Sherrill Lynn
