

Saturday Night Live says...

DEAD TRANSEXUALS ARE FUNNY!

On Brandon Teena, a 20 year old female-to-male transexual killed near Christmas, 1994:

"In Nebraska, a man was sentenced for killing a female crossdresser [Brandon] who had accused him of rape and two of her friends. Excuse me if this sounds harsh, but in my mind, they all deserved to die."

Norm MacDonald , 2/24/96

SNL did you know...

...Brandon Teena, *the 20 year old who's death SNL finds so funny*, was first stabbed in the chest as he lay sleeping, and when he moaned and thrashed, **shot in the head, execution style?** Then the murderer shot and killed two friends sleeping over, an African American man and his girlfriend. **Did "they all deserve to die,"**

Norm?

SNL did you know...

...Brandon Teena had only days earlier been beaten until he bled, then his attackers took turns raping him? Was this part funny too, because Brandon was just a transexual?

SNL did you know...

...Brandon Teena would be alive today if the local Sheriff had protected him after he was first assaulted and signed a complaint? Maybe SNL isn't alone in thinking killing transpeople "deserve to die."
